

## Curriculum Vitae

**Prof : Salim Gibril Ahmed**

---

### **Personal Data:**

Name : **Salim Gibril Ahmed.**

Birth Date : 1957.

Nationality : Sudanese.

Marital Status : Married with 2 sons and 2 daughters.

Present Address : College of Animal production, University of Bahri

P. O. Box 12327/1 Khartoum. Khartoum zip code.11111 Sudan

Mobile: 00249- 912692178. E- Mail: [Salgib9@hotmail.com](mailto:Salgib9@hotmail.com)

### **Academic Qualifications:**

- Ph.D. in Animal production (Poultry nutrition), Faculty of Animal production, University of Khartoum (March, 1999). Title of the thesis: Growth, nutrient uptake and immune response of broilers fed dietary tannins.

- M.Sc. in Animal Production, Faculty of Animal Production, University of Khartoum (1995). Title of the thesis: Nutritional evaluation of locust meal as a protein source in poultry diets

- B.Sc. (Honors) Class II Division I in Animal Science, College of Natural Resources and Environmental Studies, University of Juba (1980-1986).

### **Administrative Experience:**

\* Academic Secretary, University of Bahri (Formerly Universities of Juba, Upper Nile and Bahr elgazel before separation of the Southern region of the Sudan in 2011). August 2011 till date

Duties In short:

- Follow up of the execution and promotion of the general academic performance at the University which includes 19 colleges and four centres with about 20 thousands of students and 839 teaching Staff( 410 PhD, 357 MSc and 72 teaching assistant with B.Sc degrees).
- Supervision of student's admission to the University (Annual intake of 7500 students) and preparation of the annual plans for students intake for all academic programs and their endorsement by the responsible bodies and authorities.
- Supervision and administration of training programmes for Academic staff and technicians
- Supervision of curricula and study plans implementation and keeping of all records pertaining to academic affairs.
- Supervision of examinations and the processes of certificates, diplomas and degrees production and authentication
- Secretary to the University Senate and its standing committees (Central committee for examination, curriculum committee, and promotions, appointments, and training committees for academic staff
- Supervision of the preparation and publication of the university calendar and students guide
- Supervision of the work of the secretariat's departments and their allocated budget.

\* Academic Consultant, University of Northern Bahr Elgazel, December 2010 – January 2013

Duties In short:-

- Supervision of curricula design and preparations for five colleges
- Participation in the preparation and development of the university master plan and budgeting as well as plans for student's intake
- Participation in the development of curricula and study plans for technical diplomas and short courses targeting the immediate needs of Northern Bahr Elgazel State, Southern Sudan

\* Dean, College of Natural Resources and Environmental Studies. April 2004 –January 2009.

University of Juba

Duties In short:-

- Responsible to the Vice- chancellor for college Administration and management of its allocated budget in accordance with the financial regulations.
- Supervision and execution of the general academic performance at the College which includes seven departments (Agricultural Sciences, Animal Production, Fisheries, Forestry, Environmental Studies, Wildlife and Geology and Mining) with about 1200 students.
- Participation in the processes of Academic staff recruitment at the university level
- Have the authority to direct, co-ordinate and supervise the Administrative and the Academic

activities of the Heads of Departments.

- Have the authority to approve administrative decisions taken in the college.

\* Deputy Secretary for Academic Affairs, March 2003- April 2004. University of Juba

Duties (In short notes)

- Supervise all Examinations in the university and make sure that they have been conducted in accordance with the regulations.

– Supervise the preparation of university Diplomas and other Certificates for graduates.

–Administer training programmes for academic and sub academic staff and technicians and conduct necessary follow up.

\* Director of the college of NRES training farm, March 1999- Nov 2002. University of Juba

Duties (In short notes)

- Responsible for the administration and management of the financial affairs of the farm.

- Supervision of the training and research activities in the farm.

-Supervision of the running of the income generating units

### **Academic Experience:**

\* Professor of Animal Production (Poultry), January 2014. Department of Poultry Production, College of Animal Production, University of Bahri, Sudan,

- Teaching the courses of poultry production and technology

- External examiner for graduating students, Department of Animal Production, Faculty of Agricultural Technologies and Fish Sciences, University of El Neelain, Sudan

- Conducting research and supervising post graduate students

- Evaluator of promotion applications and assessor of papers for some journals

\* Associate Professor, July 2004 – January - 2014. Department of Poultry Production, College of Animal Production, Universities of Juba and Bahri, Sudan.

Teaching Advanced courses of poultry such as poultry production and technology, poultry classes other than chickens (Turkeys, geese, ducks, pigeons, ostrich and rabbits)

Supervisor of PhD and Msc. Students and External examiner for Msc students, Universities of Khartoum and Sudan for science and technology

\* Assistant Professor (1999-2004). Department of Animal Production, College of Natural Resources and Environmental Studies, University of Juba, Teaching Advanced courses of poultry such as Poultry production and technology, Course of Animal Production for the Department of Agricultural Sciences at the same College.

\* Lecturer, (1995-1998). Department of Animal Production, College of Natural Resources and

Environmental Studies, University of Juba, Teaching the courses of Poultry husbandry and management, Principles of animal nutrition and supervising several Dissertation works for 5th year graduating Students & member of annual field work excursion

\* Teaching Assistant, (1989 -1993). Department of Animal Science, College of Natural Resources and Environmental Studies, University of Juba

### ***Teaching***

Twenty years of teaching experience in the fields of Animal husbandry, Poultry nutrition, Poultry production and Poultry technology

### **Courses been Taught**

1. Poultry production II (poultry classes other than chickens) such as Turkeys, Geese, Ducks, Pigeons, Ostrich and rabbits, 2012- Till date, University of Bahri
2. Advances in animal production (Poultry part), 2006- 2011, University of Juba
3. Animal Production (Poultry part) for 4<sup>th</sup> year student of the Department of Agricultural Sciences, CNRES, University of Juba, 2005-2011, University of Juba
4. Poultry Production 4<sup>th</sup> year students 1998-2011, University of Juba
5. Poultry Technology 4<sup>th</sup> year students 1998 -2011, University of Juba
6. Animal husbandry, 1996- 2006, Department of Animal production, University of Juba
7. Sudan Foundation Course for First years Students 1995-2005, University of Juba

### **Membership in college and University committees:**

- (i) Secretary to the University senate (August 2011- till date).
- (ii) Member of the University Deans board 2004- 2009, University of Juba and from August 2011-till date University of Bahri.
- (iii) Member of the University council, 2001- 2010, University of Juba and from 2012- till date University of Bahri.
- (vi) Deputy Chairman of the Central Committee for examination, University of Bahri
- (v) Chairman of the Promotion committee for Equivalent Administrators, University of Bahri, April 2013 - till date.

- (vi) Chairman of the Appointment Committee for Technicians, University of Bahri, 2011 till date.
- (vii) Secretary to the Academic Staff Promotion Committee, University of Bahri, 2011 till date
- (viii) Secretary to the Central curriculum committee, University of Bahri, 2011- till date
- (ix) Secretary to the Senate standing Committees, University of Bahri
- (x) Member of the college board of post- graduate Studies, University of Bahri, 2013 till date
- (x) Chairman and/ or member of several committees formed by the university to consider certain issues

### **Membership in National committees**

- (i) Member of the committee for Technology Transfer, Productivity and Quality, Higher Council of the Agricultural Development Programme (النهضة الزراعية) 2007-Till date
- (ii) Member of the Agricultural, veterinary, and natural Resources and environmental studies committee, Central Ministry for higher Education and Scientific Research (2004-2009).
- (iii) Team member of the subcommittees formed by the Agricultural, veterinary and natural Resources committee, Central Ministry for higher Education and Scientific Research to evaluate academic conditions of the colleges in the agricultural sector in Kordofan, Eldalang, Upper Nile, Dongla and Sennar Universities (2004-2008).
- (iv) Member of the advisory council of the minister for Energy and mining (2004-2008).
- (v) Member of the advisory council of the minister for Environment and Physical planning (2004-2008).
- (vi) Member of the committee constituted by the Agricultural, veterinary and natural Resources committee, Central Ministry for higher Education and Scientific Research to prepare a proposal for establishing a veterinary college at Dongla University. 2008
- (vii) Chairman of Rice council, Central Ministry of Agriculture and Forestry. (2004- 2006).
- (viii) Member of the committee for the study and design of Job description and conditions of service for technical teachers, Ministry for higher education and Scientific Research. (2003-2004).

### **Extra curriculum activities:**

- (i) Halfayia Town development committee, 2012 till date
- (ii) Deputy chairman of the Mosque Building Committee, Halfaia town, Block 10, 2011-till date
- (iii) Head of the academic committee and member of the higher committee for

finding solutions to the problems that faced the Northern Sudanese working at southern universities of the formerly Southern region of the older Sudan, 2010-2011.

**(iv)** Chairman of the six member committee for the follow up of the professional rights of the workers of the former southern universities during the interim period 2006-2011.

### **Publications:**

#### **(i) Published Papers**

- 1. Gibril, S.** Yassin, O. E. Hassan, A. A. and Elomda, D. (2014). Hatching Traits and Brooding Growth of Turkey (*Meleagris gallopavo*) Poults under Sudan Conditions. University of Khartoum Journal of Agricultural Sciences, 22 (1), 152-165
- 2. Shamseldin, R. M., Gibril, S.,** Atta, M. Yassin, O. E. and Hassan, A. A. (2014). Effect of rearing system, slaughter age and sex on turkeys' (*Meleagris gallopavo*) carcass components percentages. Res. Opin. Anim. Vet. Sci., 4(4), 198-202
- 3. Hassan A. A., Gibril, S.** and Sabahelkhier, M.K. (2014). Effect of different concentration of acid Whey in Drinking Water on Rabbit Performance, International Journal of Advanced Research, Volume 2, 996-999
- 4. Hassan, A. H. A., Yassin, O. E. and Gibril, S.** (2013). Effect of Feeding Graded Levels of Decorticated Pigeon Pea (*Cajanus Cajan*) Seeds on Broiler Chicks Performance. Journal of Applied and Industrial Studies (JAIS) 1 (4): 7-10,
- 5. Yassin, O. E., Gibril, S.,** Hassan, A. A. and Bushara A. B. (2013). A study on Turkey (*Meleagris gallopavo*) raising in the Sudan. JAIS, 1 (4): 11-15
- 6. Gibril, S.** Hassan, H.A., Yassin, O. and Shamseldin, R. M. (2013). Growth performance and carcass characteristics of turkeys (*Meleagris gallopavo*) under semi-intensive system in the Sudan. University of Khartoum Journal of Agricultural Sciences 21(1), 99- 115
- 7. Gibril, S.,** Shamseldin, R.M., Yassin, O.E., Hassan, A.H.A. and Atta, M. (2013). Body Gain and Carcass Characteristics of Turkeys (*Meleagris gallopavo*) under Extensive

System of Management in the Sudan. Int J Appl Poult. Res. 2(2): 23-26.

8. Melingasuk, M. **Gibril, S.** and Ahmed, A. E. E. (2012). Effects of Sorghum Tannin concentration on Growth performance and Carcass Characteristics of Broiler chicks. University of Khartoum Journal of Agricultural Sciences 20(3), 329-346.

9. Melingasuk, M., **Gibril, S.** and Ahmed, A. E. E. (2012). Variation of tannin content in some Sorghum grain (*Sorghum vulgare*) varieties grown in the Sudan. Res. Opin. Anim. Vet. Sci., 2(4), 282-286.

10. Hassan, A. A., **Gibril, S.**, Shamseldin, R. M., Yassin, O. E., and Elamin, A. M. Performance traits of turkeys under extensive and semi intensive systems of management (17-28 weeks) in Khartoum state, University of Khartoum Journal of Agricultural Sciences, Accepted

11. El Zubair, E. A and **Gibril S.**, (2002). Effects of tannin as a constituent of sorghum grain on broiler chicks' growth, protein digestibility and some minerals availability. Sudan Journal of Animal Production, Vol. 15. 89-101

12. **Gibril, S.** El Zubair, E. A and Mohammed, M. E. H. (2002). Effect of tannins fed as a constituent of sorghum grain on the immune response of broiler chickens. Journal of Natural Resources and Environmental Studies, University of Juba Vol. 3.1:42.

13. **Gibril, S.** and El Zubair, E. A. (1999). Hematological character of domestic chickens fed dietary tannins. Journal of Natural Resources and Environmental Studies, University of Juba, Vol. 2, 1, 33-37.

14. **Gibril, S.** and Idris, A. A. (1997). Utilization of locust meal in poultry diets. Journal of Natural Resources and Environmental Studies (JONARES), University of Juba, Vol.1.2.19-23

### **(iii) Papers presented in conferences and workshops**

(i) Mahgoub, Z. H., **Gibril, S.** Suliman, A. A. (2011). Reconciliation of the academic conditions of the Northern Sudanese students who have been studying at the National Sudanese Universities located on the southern region before separation. Workshop on University of Bahri: Present and future challenges. 20-21 July 2011. Dar Elnaft Hall, Khartoum, Sudan

- (ii) Gibril, S.,** Mahgoub, Z. H. and Adam, M. Y. (2011). Restructuring of colleges at the University of Bahri. Workshop on University of Bahri: Present and future challenges. 20- 21 July 2011. Dar Elnaft Hall, Khartoum, Sudan
- (iii) Gibril, S.** and El Zubair, E. A. and Mohammed, M. E. H. (1998). Effects of graded levels of dietary tannins on nutrient uptake, lymphatic organs weights and immune response of broiler chicks . Proceedings of the world conference on animal production, 28 June -4 July, 1998, Seoul National University, Vol .1, 146-166, Seoul, Korea
- (iv) Gibril, S.** and Idris A.A.(1995). Utilization of Locust meal in poultry diets as an incentive for communal participation in locust control. A symposium on the role of scientific research on integrated biological control of desert locust, (3-5) October 1995, Friendship Hall, Khartoum, Sudan

### **Workshops attended:**

- (i)** Workshop on the Criteria for websites quality in Government's Universities, Organized by Computer Studies Committee, National Council for Higher Education and Scientific Research. Khartoum, 17/12/2014
- (ii)** Workshop on E- learning becoming the norm, Getting ready for the 2018 I Generation. Organized by I WHO institute in collaboration with Association of Arab Universities, Amman, Jordan, 5-6/4/2014
- (iii)** Training workshop on Curriculum design and development, organized by the, directorate of quality and development, University of Bahri. 28<sup>th</sup> April to 9<sup>th</sup> May 2013
- (iv)** Workshop on the migration of University teacher, causes and solutions, organized by The Education Instruction & Scientific Research Committee of the National Assembly in collaboration with the Professional Association of Sudanese Higher Education Academic Staff. National Assembly 30<sup>th</sup> December 2012
- (v)** Workshop on Reconciliation of the academic working conditions of the Northern Sudanese students and workers who have been studying or working at National Sudanese Universities located on the southern region before separation. Organized by the Education Instruction & Scientific Research Committee of the National Assembly, 3<sup>rd</sup> May 2011
- (vi)** Workshop on Academic freedom and institutional autonomy in higher education in Sudan, Organized by Council for the development of social science in Africa (CODESRIA), 17 May 2011. Meeting hall- Faculty of Social and Economic Studies, University of Khartoum. Sudan.
- (vii)** Workshop on The Polices and legislations that support Arabic Agricultural development programme, 4-8<sup>th</sup> November 2007. Ein shams University, Cairo, Egypt
- (viii)** Workshop on Stakeholders consultation on training and research related to RIO conventions in Tertiary Institutions. 29<sup>th</sup> August 2006. National Capacity self Assessment project, Sudanese banks associations. Khartoum, Sudan.
- (ix)** Workshop on Agricultural Information Systems and its role in the achievement of sustainable Agricultural Development. Arab Higher council for Scientific Research, 26-31<sup>st</sup>

March, 2005, Cairo, Egypt

**(x)** Workshop on Curricula development of the colleges of Agricultural Sector, organized by the Agricultural, veterinary and natural Resources committee, Central Ministry for higher Education and Scientific Research, 15-16/12/2004 and 29-30/12/ 2004 Wad Medani and Elobeid Towns respectively, Sudan

**(xi)** Workshop on sensory and chemical evaluation of the food of animal origin. Regional centre for safety and quality of food stuffs, Faculty of Veterinary Medicine. 6-11<sup>th</sup> December, 2003. Cairo University, Giza, Egypt

**(xii)** Workshop on Poultry production in the Sudan, Organized by the Ministry of Sudanese Animal Resources in collaboration with Arab Organization for Agricultural Development. 28 April 2001. Khartoum, Sudan

### **Conferences attended**

**(i)** Conference on the economic and health effects of yeast extracts on animal feeding, khayrat El Nile co. Sudan. Feb 16 2014, Coral Hotel, Khartoum, Sudan

**(ii)** The 33<sup>rd</sup> conference on Student's admission and registration under technology environment. The Arab Association of College Registrars and Admissions Officers , Arab academy for science and Technology and marine Transport, 25-28 March 2012, Alexandria, Egypt

**(iii)** Conference on Technical and vocational Education, Sudanese Agricultural Council, 29/12/ 2007. Khartoum, Sudan

**(iv)** The 1<sup>st</sup> Scientific Conference in camel research, College of Veterinary Medicine and Animal Production, Sudan University for Science and Technology, 16-17, Sept., 2007. Khartoum, Sudan.

**(v)** Conference on Genetic resources of Sudanese Animal Wealth, College of Agricultural Studies, Sudan University for Science and Technology in collaboration with Sudanese Standards and Measurement Organization and Central ministry of Animal Resources, 5-6 March 2007. Shaheed El zubair Hall, Khartoum, Sudan.

**(vi)** Conference of the Colleges of Agricultural Sector in the Sudan, Sudanese Agricultural Council, Elshaheed hall, University of Sudan for science and technology. 17-18 May 2005.

**In addition to** seminars and conferences relevant to the specializations of the college of Natural and Environmental Studies, University of Juba during my mandate as the dean of the college (2004-2008), which include, Animal production, agriculture , Environmental studies, Fisheries, Forestry, Geology and mining and Wildlife

### **Research activities**

**(i)** Team leader of the research project entitled Semi Intensive & extensive Rearing of Turkeys in the Sudan, funded by the Sudan ministry for higher education and scientific research for the year 2009.

**(ii)** Study of the potentialities of Turkeys and Rabbits as a source of poultry meat in the Sudan.

**(iii)** Chemical analysis and tannins contents of Sudanese sorghums and their effects on poultry performance

**(iv)** Exploitation of non- conventional feed resources (locust, pigeon pea, acid whey) for poultry feeding

### **Membership in scientific societies**

**(i)** Member of the Sudanese Agricultural Council

**(ii)** Member of the Agricultural Technology Transfer society (NGO), Sudan

**(iii)** Member of the advisory council of the Sudanese animal production society
