College of Engineering and Architecture

Final Examinations Time Table for Academic Year 2025-2026

Third Year - Batch 2020

October 2026

Date	Department	Course Name
Saturday 10-10-26	Agricultural	Probability and Statistics
	Architecture	History of Architecture IV
	Civil	Probability and Statistics
	Electrical	Probability and Statistics
	Mechanical	Probability and Statistics
Sunday 11-10-26	Agricultural	Complex Analysis
	Architecture	Services Systems II
	Civil	Complex Analysis
	Electrical	Complex Analysis
	Mechanical	Complex Analysis
Monday 12-10-26	Agricultural	Thermodynamics II
	Architecture	Construction Systems IV
	Civil	Surveying II
	Electrical	Signal Analysis
	Mechanical	Thermodynamics II
Tuesday 13-10-26	Agricultural	Fluid Mechanics I
	Architecture	Structural Systems IV
	Civil	Mechanics of Fluids II
	Electrical	Electromagnetic Fields Theory I
	Mechanical	Fluid Mechanics I

Date	Department	Course Name
Wednesday 14-10-26	Agricultural	Heat Trasfer
	Architecture	Theory of Planning I
	Civil	Civil Engineering Materials
	Electrical	Electronic Circuits I
	Mechanical	Heat Trasfer
Thursday 15-10-26	Agricultural	Mechanics of Machines
	Architecture	Services Systems III
	Civil	Structural Analysis I
	Electrical	Electrical Measurments and Instrumentations
	Mechanical	Mechanics of Machines
Saturdy 17-10-26	Agricultural	Crop Production
	Architecture	Structural Systems V
	Civil	Engineering Geology
	Electrical	Computer Aided Networks Analysis
	Mechanical	Mechanical Drawing with CAD
Sunday 18-10-26	Agricultural	Farm Workshop Technology
	Architecture	Construction Systems V
	Civil	Envionmental Engineering I
	Electrical	Electromechanical Energy Conversion
	Mechanical	Manufacturing Processes I
	Agricultural	Numerical Analysis
Monday 19-10-26	Architecture	Theory of Planning II
	Civil	Numerical Analysis
	Electrical	Numerical Analysis
	Mechanical	Numerical Analysis
	Agricultural	Computer Aided Drawing
Tesuday 20-10-26	Architecture	Surveying
	Civil	Soil Mechanics I
	Electrical	Microprocessor and Interfacing

Date	Department	Course Name
	Mechanical	Introduction to Tibology and Maintenance
Wednesday	Agricultural	
	Architecture	Project Management
21-10-26	Civil	Hydraulics I
	Electrical	Electromagntic Fields Theory II
	Mechanical	Thermodynamics III
	Agricultural	Soil Sciences
22-10-26	Architecture	History of Architecture IV
	Civil	Structural Analysis II
Thursday	Electrical	Electronics Circuits II
	Mechanical	Fluid Mechanics II
	Agricultural	Animal Production
Saturday	Architecture	
	Civil	R.C.Design I
24-10-26	Electrical	Electric Power
	Mechanical	Mech. Measurements and Instrumentation
	Agricultural	Farm Machinery I
	Architecture	
Sunday	Civil	Steel Design I
25-10-26	Electrical	Introduction to Computer Networks
	Mechanical	Manufacturing Processes II
	Agricultural	Machines Elements
Monday	Architecture	
26-10-26	Civil	Mechanics of Materials II
	Electrical	Electrical Machines
	Mechanical	Machines Elements
	Agricultural	Farm Power I
Tesuday	Architecture	
27-10-26	Civil	
	Electrical	

Date	Department	Course Name
	Mechanical	
Wednesday	Agricultural	Measurements and Instrumentations
	Architecture	
	Civil	
	Electrical	Principles Telecommunications Systems
28-10-26	Mechanical
